Selectman Hamilton moved to approve the amendment to the Coastal Waters Ordinance as shown in Attachment A. Peter Rice seconded. Ruth Houghton asked for clarification of this Article. Selectman Hamilton explained that the amendment was to remove the parking part of the ordinance out of Coastal Waters Ordinance and make it a separate ordinance. Selectman

Damon said the State allows Selectmen to vote on Parking Ordinances without a town meeting. Michael Porter stated he was against the change to the ordinance. He doesn't see the urgency to take out parking from the existing ordinance based on six months of being a town. Porter wants the Harbor Master to enforce the parking along with the sheriff. Porter urged the people to vote against Article #4. Cheryl Buxbaum stated people should attend meetings to hear the arguments on why Coastal Waters and the Selectmen are trying to change this ordinance. David Hill agreed with the intent of the ordinance and agrees that the town should take out the parking part of it.

**David Hill asked that the Article be amended to add “at Town Meeting” to the end of the article. Mary Holt seconded. The amendment reads** To vote whether to amend the Coastal Waters Ordinance as shown in Attachment A, to remove the provisions for parking for vehicles on town ways and properties, the amendment being effective upon the adoption of a Parking Ordinance by the Board of Selectmen at Town Meeting.

Jim Phipps asked for clarification of amendment. Jeff Putnam asked that people support the original article without David Hill's amendment. Selectman Hamilton stated again that the original article would only remove the parking part out of the Coastal Waters Ordinance and make it a separate ordinance. Barbara Porter stated that the town needed to leave the parking part to the Harbor Master which is stated in the Coastal Waters Ordinance. Selectman Damon read section 13-4 page 21 of the Coastal Waters ordinance to let people know what the article is referring to. John Wilson called point of order to keep the discussion only about David Hill's amendment. Ernie Burgess asked if Hill's amendment will give us the same rights as before. Jim Phipps agrees with Hill's amendment. He wants citizens to see the new ordinance and vote on it not just the selectmen. Sue Burgess asked for motion to vote. Peter Rice seconded.

**Vote to close discussion was unanimous with 2 opposed.**
