

Town of Chebeague Island
Shellfish Conservation Commission Meeting

Tuesday, 11/22/2016 4pm
at the Public Safety Building/Town Office

Minutes

Present: Bob, Gary, and Genaro

1. Called meeting to order at 4:03pm.
2. Licenses for next year
 - a. Reviewed 2016 allocation versus sold
 - b. Reviewed a few comments from the public to Genaro:
 - i. One person who was found digging at Chandlers on their father's license (Genaro gave them a warning)
 - ii. One person who complained that they could not ride along on a senior license (they were not 12 or under); Genaro suggested a day license and they were fine with that.
 - c. Motion: keep the same allocation for 2017
 - i. Logic is that it seemed fairly well matched to demand, and, the resource is still very much under threat
 - ii. Vote: unanimous
3. Update on the clam farm
 - a. Discussed the mud issue possibility
 - b. Carol White working on borrowing equipment to test the mud
4. Public comment
