TOWN OF CHEBEAGUE ISLAND, MAINE
ANNUAL TOWN MEETING WARRANT

TO: Viktoria Johnson, a resident of the Town of Chebeague Island, in the County of Cumberland and State of Maine,

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Chebeague Island in the County of Cumberland, State of Maine, qualified by law to vote in town affairs, to meet at the Chebeague Island Hall Community Center, 247 South Road, Chebeague Island, Maine on Saturday, the 10th day of June, 2017 at 9 o’clock in the morning, then and there to act upon Articles 1 and 3 through 70;

And, to notify and warn said inhabitants to meet at the Chebeague Island Hall Community Center in said town on Tuesday, the 13th of June, 2017 at 8 o’clock in the morning, then and there to act on Article 2 as set out below, the polling hours are from 8:00 o’clock in the morning until 8 o’clock in the evening.

Article 1: To choose a moderator by written ballot to preside at said meeting.

ELECTION AND REFERENDUM VOTING ARTICLE: 2

VOTING – JUNE 13, 2017 - 8:00 a.m. to 8:00 p.m.

Article 2: To elect one Selectman for a three-year term and one School Board Committee member for a three-year term.

Article 3: To see if the Town will approve opening the floor of this Town Meeting to all non-registered persons for the purpose of discussion only on each of the following articles of this 2017-2018 Warrant.

Explanation: This article must be passed by a 2/3 majority of those present in the hall.
PAPER STREET ARTICLES

Merriam Point Subdivision

Article 4: To see if the Town will vote to accept the incipient dedication of Willow Street (from Chebeague Avenue to the shore), as shown on Plan of Merriam Point dated June 15, 1907 and recorded in the Cumberland County Registry of Deeds in Plan Book 11, Page 53, confirming the Town’s historic use and maintenance of the road as a Town Road.

Explanation: Willow Street is already maintained and treated as a Town Road.

Article 5: Shall the Town vote to accept Hamilton Circle (from Willow Street to Beach Street) as shown on Plan of Merriam Point, dated June 15, 1907 and recorded in the Cumberland County Registry of Deeds in Plan Book 11, Page 53 as a Public Recreational Easement?

Explanation: There was a question as to whether or not the Town could accept a paper street as a public easement for subdivision plans recorded prior to 1987. Our attorney responded, “Since it is true that this statute hasn’t been litigated, a challenge is always possible. However, Subsection 1-A does state that the road is deemed vacated if it is not constructed or used as a way AND that it has not been accepted as a way OR a public utility or recreational easement. So, the Maine Municipal Association’s advice is based upon the language in Subsection A, which discusses construction or use ‘as a way’. Based upon the language in Subsection B, though, it is my opinion that a municipality may accept a paper street as a public or recreational easement, but it will have to do some level of improvement to it to allow for public use if that has not already occurred prior to the acceptance.”

To summarize, if we accept the portion of Hamilton Circle from Willow Street to Beach Street as a Public Recreational Easement, the Town could be challenged through some court action and we would have to make improvements to the path to accommodate the public use, the cost of which is unknown.

Article 6 was petitioned by the Voters of the Town of Chebeague Island

Article 6: Shall the Town vote to: Extend the Town’s right to accept the section of the paper street know as Hamilton Circle (from the current Martindale/Brown line to the intersection of Cross Street) for 20 years as shown
on the Plan of Merriam Point and recorded June 15, 1907 in the Cumberland County Registry of Deeds in Plan Book 11, Page 53.

Explanation: This section of Hamilton Circle runs along or near Hamilton Beach and may include part of the beach. Its exact location is not known. It is in the citizens’ best interest to determine the exact location of Hamilton Circle in order to make an informed decision about its value to the Town. By extending the rights to accept the property for another 20 years the Town will have adequate time to evaluate the location and the importance of this paper street to the residents of the island.

If this article does not pass, the land under the 50-foot-wide road will revert to the abutters in September 2017, and the public’s right to evaluate Hamilton Circle’s value to the residents of Chebeague will be lost.

Article 7: To see if the Town will vote to accept the incipient dedication of Cross Street (from Hamilton Circle on the north side to Hamilton Circle on the south side), as shown on Plan of Merriam Point dated June 15, 1907 and recorded in the Cumberland County Registry of Deeds in Plan Book 11, Page 53, confirming the Town’s historic use and maintenance of the road as a Town Road.

Explanation: Cross Street is already maintained and treated as a Town Road.

Article 8: To see if the Town will vote to authorize the Board of Selectmen to negotiate and accept a turnaround easement at the northwest end of Cross Street.

Explanation: This turnaround will most likely be located on property owned by the Searway and Brown families who have publicly stated their willingness and commitment to work with the Town to provide a safe and practical turnaround at the end of Cross Street.

Sunset Beach Subdivision

Article 9 was petitioned by the voters of the Town of Chebeague Island

Article 9: Shall the Town vote to:

A. Extend the Town’s right to accept the section of the paper street known as Elizabeth Road (currently Sunset Road) for 20 years (from North Road to the intersection of Elizabeth Road and Lot 5) as shown on the Plan of Sunset Beach Subdivision and recorded July 22, 1907 in the Cumberland County Registry of Deeds in Plan Book 11, Page 55.
B. Extend the Town’s right to accept the section of the paper street known as Maquoit (from Elizabeth Road to Sunset Avenue) for 20 years as shown on the Plan of Sunset Beach Subdivision and recorded July 22, 1907 in the Cumberland County Registry of Deeds in Plan Book 11, Page 55.

C. Extend the Town’s right to accept the section of the paper street known as Sunset Avenue (from Maquoit Road to the intersection the Town’s Sunset property*) for 20 years as shown on the Plan of Sunset Beach Subdivision and recorded July 22, 1907 in the Cumberland County Registry of Deeds in Plan Book 11, Page 55.

*The Town’s Sunset property is shown on the boundary survey by Nadeau Land Surveys for the Town of Chebeague Island dated 7/21/2014.

Explanation: Although there is legal access to the Town’s property at Sunset over Elizabeth Road and Old Pier Road (the road that runs through the field at Sunset) via a private right-of-way, such access may only pertain to residential use of the Town’s property. The Town’s attorney has stated that the Town’s ability to widen and improve the road might be challenged if the Town decided to develop the property for uses other than residential. An improved Town road to Sunset may be necessary in the future. While Elizabeth Road has been surveyed, Maquoit and Sunset Avenue (from Maquoit to the Town’s parcel) have not, so it is uncertain if the current access to the Sunset property follows the path of a paper street after it leaves Elizabeth Road. This question needs to be answered before the Town gives up its rights in paper streets that have the potential to access the Town’s property. Therefore, it is in the Town’s best interest to reserve its rights in these roads to keep the Town’s access options open.

If this article does not pass, the Town’s ability to improve the road could be challenged, and therefore the Town’s use of its Sunset property could be limited.

Nubble View Subdivision

Article 10: Shall the Town vote to accept Cove Road (20’ road along shore from Bennett’s Cove Road) as shown in Nubble View Subdivision, Plan Book 14, Page 40, dated January 3, 1992 and recorded 1922 as a Public Recreational Easement.

Explanation: By show of hands, the majority of people at the August 31, 2016 meeting favored a Public Recreational Easement. As explained above, the Town could be challenged through some court action; and we would have to make
improvements to the path to accommodate the public use, the cost of which is unknown.

Article 11: Shall the Town vote to accept a section of Bennett’s Lane (30’ road from Bennett’s Cove Road to Shore Lane) extending from Bennett’s Cove Road to Nubble Road as a Town Road AND vacate the remainder of Bennett’s Lane from Nubble Road to Shore Lane as shown in Nubble View Subdivision, Plan Book 14, Page 40, dated January 3, 1992.

Explanation: Part of Bennett’s Lane is currently used as a turnaround for barging traffic and should be maintained as a town road.

Division Point Subdivision

Article 12: Shall the Town vote to accept Broad Reach Road from Ship Lane (currently named Division Point Road) to and including the intersection of Starboard Tack as a Town Road as shown in Division Point Subdivision, Plan Book 99, Page 36, recorded May 15, 1974.

Explanation: There was a consensus at the public meetings to designate Broad Reach Road as a Town Road. There is a 20’ Central Maine Power easement from Starboard Tack to the shore. This right-of-way is access to the main power cable to Chebeague Island at the end of the road on the shore. The costs to bring this road up to reasonable local standards are minimal.

Division Shores Subdivision

Article 13: To see if the Town will vote to accept the incipient dedication of Bar Point Road from Ship Lane (currently named Division Point Road) to Tax Map 107, Lots 68 and 69 as shown on Division Shores Subdivision, dated October 21, 1975 and recorded in the Cumberland County Registry of Deeds in Plan Book 110, Page 14; and as shown on Division Shores, dated March 2, 1976 and recorded in the Cumberland County Registry of Deeds in Plan Book 113, Page 24; and as shown on Division Shores, dated June 21, 1983 and recorded in the Cumberland County Registry of Deeds in Plan Book 139, Page 10, confirming the Town’s historic use and maintenance of the road as a Town Road.

Explanation: Bar Point Road is already maintained and treated as a Town Road.

Explanation: The Town’s contribution to the total cost of funding public education from Pre-Kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that a municipality must raise in order to receive the full amount of state dollars.

Article 26: Shall the Town raise and appropriate $505,792.68 in additional local funds, which exceeds the State’s Essential Programs and Services funding model by $528,792.68 as required to fund the budget recommended by the School Committee?

Article 26 is required to be voted by written ballot.

The School Committee recommends $505,792.68 for additional local funds and gives the following reasons for exceeding the State’s Essential Programs and Services funding model by $528,792.68. EPS does not fully support all the necessary costs of a Pre-kindergarten to grade 12 educational program, such as:

(1) Special Education costs; (2) ferry transportation and bus costs; (3) staff benefits, including health insurance, FICA, Medicare, unemployment benefits, and workers compensation.

Explanation: The additional local funds are those locally raised funds over and above the Town’s local contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the Town budget for educational programs.

Article 27: Shall the Town authorize the School Committee to expend $1,183,904 for the fiscal year beginning July 1, 2017 and ending June 30, 2018 from the Town’s contribution to the total cost of funding public education from Pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy, and other receipts for the support of schools?

Explanation: This is a summary article and approves expenditures of the proposed budget of $1,183,904.00. This article authorizes the School Committee to spend the money appropriated in the previous articles, plus other revenues. This article does not raise any additional money.

ADDITIONAL SCHOOL RELATED ARTICLES

Article 28: Shall the School Committee be authorized to spend through the Chebeague Island School private enterprise checking account unanticipated gifts or donations of money in accordance with their policies in the best interests of the school system?

Article 29: Shall the Town authorize the School Committee to expend any state, federal and other grants, aid and receipts during the fiscal year beginning July 1, 2017 and ending June 30, 2018 for school purposes provided that such grants, aid, and receipts do not require expenditure of local funds not previously appropriated?

Explanation: This article has no relation to previously voted articles pertaining to the general operating budget’s expenditures and revenues. The question authorizes the School Board to expend any other related receipts such as state and federal grants to assist in the operation of Chebeague Island School. Example would be Special Education services (Local Entitlement).

Article 30: Shall the Town vote to appropriate the following Revenues, Balances Carried and Fund Transfers, to cover the expenditures appropriated in the previous articles with the remaining funding required to be raised by taxation.

</tr>
<tr>

<td>$8,000</td>
</tr>
</tbody>
</table>
Explanation: This article identifies and summarizes the various revenue sources to be appropriated for school purposes.

(1) The School Unassigned Fund Balance identifies a fund balance transfer made to help lower the tax rate while maintaining a safe level of fund balance as determined by the School Committee. The School Unassigned Fund Balance has been reduced to $40,737 at June 30, 2016 with transfers of $133,072 to the School Reserve Funds. $15,000 of the $40,737 fund balance will be utilized to reduce taxation as shown above.

(2) General Purpose Aid is received from the State of Maine to be used for school purposes.

(3) School Lunch Sales is just that, revenue from the sale of lunches.

Explanation: A transfer from Undesignated Fund Balance is made to help lower the tax rate. According to the audited Financial Report at June 30, 2016, our undesignated fund balance was $567,437. This is approximately 18% of the current FY17 operating budget and is higher than the allowable limits (8%-15%) based on the Board of Selectmen Undesignated Fund Balance Policy. We are using $50,000 toward the FY18 budget in an effort to reduce taxation.

Article 59: To see what sum the Town will vote to take from receipts, sources and designations, to apply against fiscal year 2017-2018 appropriations, and to accept any such funds from the State of Maine and the US Government as provided by the State Legislature or Federal Government for the fiscal year 2017-2018.

Board of Selectmen recommend: $311,642

Explanation: The total revenues from receipts, sources and designations includes: $98,352 (from Article 30) plus $50,000 (from Article 58) and $163,290 from the following table:

<table>
