NOTICE

Planning Board Public Workshop

**The Planning Board will meet on
Wednesday, September 19, 2018, at the
Chebeague Island Hall from 7pm to 8:30pm**

Agenda

The Planning Board will hold a public workshop at the time and location mentioned above to present options and to gather input from the public regarding potential changes to the Zoning Ordinance aimed at increased protection of the Town's aquifer.

As many of you know, Chebeague has one aquifer – all our wells tap into the same aquifer – and the protection of this aquifer is critical to the health and viability of our community.

Chebeague's Comprehensive Plan speaks to the importance of protection the aquifer; please join us in a discussion of a range of options along these lines.

The public is welcome and encouraged to attend!
