

Coastal Waters Committee

AGENDA

Thursday, January 16, 2020

Town Hall/Public Safety Building

6:00 PM

1. Call to Order 6:00 p.m.
2. Approval of Minutes from 10/24/2019
3. Reports:
 1. Harbor Master Report
 2. Shellfish Warden Report
4. Old Business:
 1. Revision of aquaculture evaluation process.
 2. Goals for CWC in 2020
5. New Business
 1. Aquaculture lease evaluation request by BoS.
 - BoS is seeking regular, written input by CWC per Section 105 (k-n) of the CWC Ordinance. Evaluate existing Lease Impact Assessment to see if there are any modifications necessary
 - Establish a process to ensure BoS is informed of our assessments and recommendations of action
 2. Stewart Hunt. DMR has determined he misplaced some gear during his hearing in Yarmouth for an 11 acre parcel in the same site. His lease application is currently suspended while the DMR determines appropriate action, but should be assumed that he will continue with his pursuit of this 500% enhancement of the site.
 3. Other Applications
6. Adjournment
