

Coastal Waters Committee

AGENDA

Thursday, May 22, 2020

Zoom Video Chat. See attached for instructions

6:00 PM

1. Call to Order 6:00 p.m.
2. Approval of Minutes from 02/27/2020
3. Reports:
 1. Harbor Master Report
 2. Shellfish Warden Report
4. Old Business:
 1. Continued revision of aquaculture evaluation process.
 2. Stewart Hunt. Did not move gear when promised. Supposedly in a new location, but reports of vessel entanglement.
 3. Meeting with Meredith Mendelson of Maine DMR (try to re-schedule?)
5. New Business
 1. Summit Point aquaculture lease. Redefined, but still a significant stake in Casco Bay (pre-app status)
 2. Jeff Putnam lease application, Johnson Cove (pre-app status)
 3. COVID-19 and marine activity.
 - a. Should we change any operating procedures for access points?
 - i. Cousins float consumed with non-resident boats
 - ii. All indications are that there will be MUCH more boat activity in Casco Bay this summer, and likely around Chebeague.
6. Adjournment
