

Planning Board Minutes

The Planning Board held a virtual Zoom meeting on Monday June 29, 2020, beginning at 6:30 PM

Planning Board Members Present: Travis Nadeau, Esther Danielson, Paul Belesca, Bob Earnest, Kyle Koerber and Carol White

Other Community Members Present: Marjorie Stratton, Nancy Earnest, Bill Danielson, John Holt

Presenters: Judy Colby-George

- 1) Carol White introduced Judy Colby-George as a local expert on GIS mapping, she helped Chebeague develop the Chebeague Island Comprehensive Plan in 2010 and she is the Chair of the Yarmouth Planning Board
- 2) Judy introduced GIS mapping – does for land what the microscope did for cells BUT its data vs information
- 3) Reviewed map layers including: Parcels (2018 BUT can compare over time), LIDAR, steep slopes, vegetation height – trees greater than 80 feet, habitat data, shellfish data, eel grass, wetlands, soils, sea level rise, aquaculture leases,
- 4) The group discussed the desire to add some layers including trails, current easements & protected lands, shorefront access, zoning, sand dunes.

Respectfully submitted,

Kyle Koerber
