

A Request to Our Readers:

The Cemetery Committee would very much appreciate additional information regarding the ownership of cemetery plots and who is buried in them. We can get some information from gravestones, and some from the past Cemetery records. If you already own, or are part of a family that owns a cemetery plot, and you know who is buried in your plot, there are two data sheets attached at the bottom of this page for you to enter this data. We would very, very much appreciate it if you would do this. Please print the data sheets, fill them in by hand and send them to:

Chebeague Cemetery
192 North Road
Chebeague Island ME 04017

Thank you!

Plot Data Collection Form

Part 1. Enter information on the original owner.
