Re: Meeting regarding **Land survey findings**
Monday, August 4th, 7:00pm at the Island Hall

All are encouraged to attend an informational meeting regarding the findings of the recent land surveys and studies performed at the Town property commonly referred to as Sunset Landing. Please join committee members, Dustin Roma of Milone and MacBroom and Jim Nadeau of Nadeau Land Surveys on **Monday, August 4th, 7:00pm at the Island Hall**. Results of Phase 1 of the committee's charge, determine the limitations and characteristics of the property, will be presented. Community members will have the opportunity to ask questions.

Phase 2, surveys and studies of the water side of the property to determine limitations and characteristics, will commence soon.

Thank you,

The Town of Chebeague Island Ad-hoc Sunset Committee
