Group: Building - BP

250100	Building - BP	0 HOPE ISLAND	primary residence, new construction. We already have the Building Permit for this. 23-B30. Issued 6/8/23. We have already paid the fee. We understand we need to "put this information into the Building Permit system" so that the CEO can "approve" the Building Permit electronically even though this was issued several years ago. This step needs to happen so we can also be issued a CofO.
250099	Building - BP	0 HOPE ISLAND	Renovation of existing 240 SF porch. We applied for this on 11/8/2024. We need to be issued the actual building permit. This step needs to happen so we can also be issued a CofO.
250098	Building - BP	0 HOPE ISLAND	We submitted an amendment to our building permit application on 2/3/25. We need to be issued the actual building permit. This step needs to happen so we can also be issued a CofO.
250097	Building - BP	0 HOPE ISLAND	Renovation of existing peacock structure. We already have the Building Permit for this. 23-B6. Issued 12/12/22. We have already paid the fee. We understand we need to "put this information into the Building Permit system" so that the CEO can "approve" the Building Permit electronically even though this was issued several years ago. This step needs

			to happen so we can also be issued a CofO.
