240102	Remove existing covered porch, build a 12x17' studio and a 9x17' covered porch	45 SOUTH SHORE DRIVE	Shoreland Zoning - SZ
☐ Permit Type: Subsurface - SW			
240109	Replace Septic System	47 DEER POINT ROAD	Subsurface - SW
☐ Permit Type: Tree Removal - TR			
240103	We have 3 trees along our bank whose roots were exposed and soil beneath is gone from winter storms. We would like to remove these trees so that they don't take a big chunk of bank with them when they fall.	20 JOHN SMALL ROAD	Tree Removal - TR
240110	12" Fir tree adjacent to house	11 CLUGSTON DRIVE	Tree Removal - TR
240115	Remove 6 trees that are leaning and damaged that will fall on the garage or guest house. These trees were seen on a site visit in April. They are between 200 and 250 feet back from the mean high tide line as shown on the attached survey picture. The stumps will remain and fast growing pine/spruce trees will be planted.	-	Tree Removal - TR
