II. VARIANCES IN GENERAL

Pursuant to 30-A M.R.S.A. §4353(4), the Board of Adjustment and Appeals may grant a variance only when strict application of the ordinance to the Applicant and the applicant's property would cause "undue hardship".

Undue Hardship – for any sign or height variance or for any structure that is located in whole or in part in a shoreland area.

The Board must make a positive finding on each of the following criteria. Please describe in the space provided how your request meets the "undue hardship" criteria listed below.

- A. The land in question cannot yield a reasonable return unless a variance is granted:

- B. The need for a variance is due to the unique circumstances of the property and not to the general conditions of the neighborhood;

C. The granting of a variance will not alter the essential character of the locality;

D. The hardship is not the result of action taken by the applicant or a prior owner.
