Re: Monthly Report

February I fielded many phone calls for spring construction projects. Also working with all 4 Growth permit holders on submittal requirements to turn those into building permits before the 90 day expiration.

Hope Island update: A visit has been coordinated with Knickerbocker Group which will happen on March 20th. Town Assessor, Town Administrator, 2 members of selectboard, and myself will be on this visit and tour of Hope.

BOAA: Reference the Fowler case a Notice of Violation has been sent and Jim Fowler has responded and would like to meet with Town to discuss expectations moving forward.

Any questions as always don't hesitate to reach out
